

Socio-Economic CONTRIBUTIONS

of The Waves Sports Club to the local community

During the 2015/2016 financial period, The Waves Sports Club directly injected over \$1.1 million into the local community, in cash and in kind, supporting over 110 local individuals and organisations. The Waves Sports Club identifies as being one of the largest local financial contributors to the Wide Bay/Burnett Region, and will strive to continue to give such support for many years to come. When you support The Waves as a valued member or guest, you are not only supporting one club. **You are supporting your entire community.**

2015/2016 The Waves...

Employed 100 people from the local community.

Contributed over \$90,000 in training and development of staff, including support of school based trainees.

Reinvested \$5,300,00 into the local community.

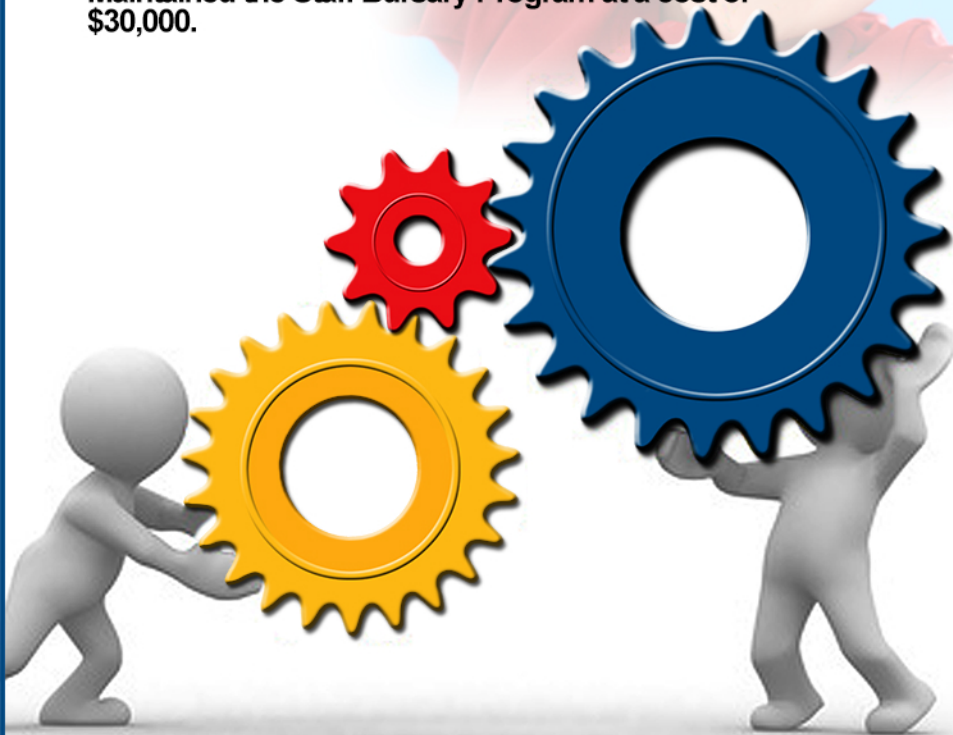

Donated \$9,876 to Edon Place and \$5,547 to Impact Community Services - U Can Van.

Maintained the Staff Bursary Program at a cost of \$30,000.
