All gold prize winners will be required to present to that assistant with their winning ticket shown. They will then be required to make their prize selection from the **gold** prizes only with 1 minute given to select a prize.
- Upon making their selection the winner will then be handed their prize selection.
- Gold prize winners must be present to claim their major prize.
- One (1) minute will be allocated for gold prize winners to identify themselves as a winner.

- In the event that a silver prize winner has been drawn and the ticket holder has not made themselves present to the raffle assistant within one (1) minute, or are not present, the winning ticket number will be recorded as 'not present'.
- Winners listed as 'not present' may select a silver prize from the remaining prizes after all silver, gold, and blue prize winners in attendance have claimed their prize and both raffle draw evenings have concluded.
- Unclaimed winning numbers will be made public no later than 5:00pm Thursday, December 22 at The Waves Sports Club reception desk and website.
